Callaway

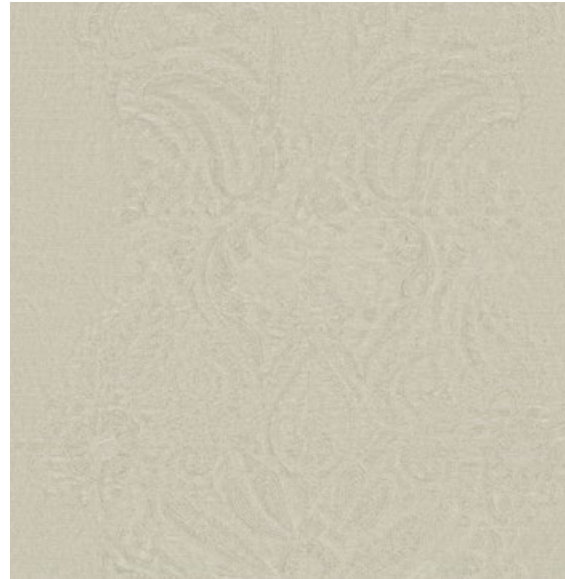

Callaway features an array of botanical motifs, their patterning showcasing a nuanced combination of tones and stitches. They give life to the leaves and petals that seem to dance lightly across the fabric, as if a gentle breeze stirs them.

Composition: 60% Polyester, 35% Cotton, 5% Linen

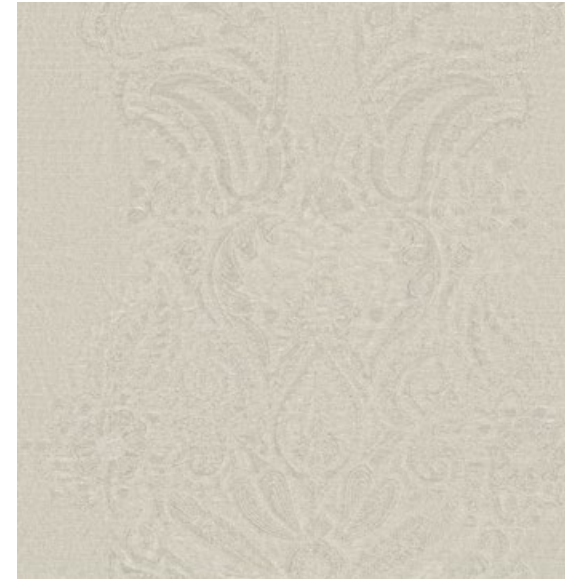

End Use: Drapery

Carew Egret

Carew Oatmeal

Carew Tapioca

Carew

A pattern weaving intricacies into pirouetting flowers and leaves, Carew creates a stately and refined look. Its fine base emerges between the motifs, giving it a delicate and ethereal quality.

Composition: 40% Polyester, 42% Viscose, 18% BCI Cotton

End Use: Drapery

Dalton Brown Rice

Dalton Porcelain

Dalton Warm Sand

Dalton

Ultra-fine threads come together to mirror organic textures in Dalton. Meticulously layered upon a cotton base, they create an echo of lush vitality in sheer fabric.

Composition: 63% Cotton, 37% Polyester

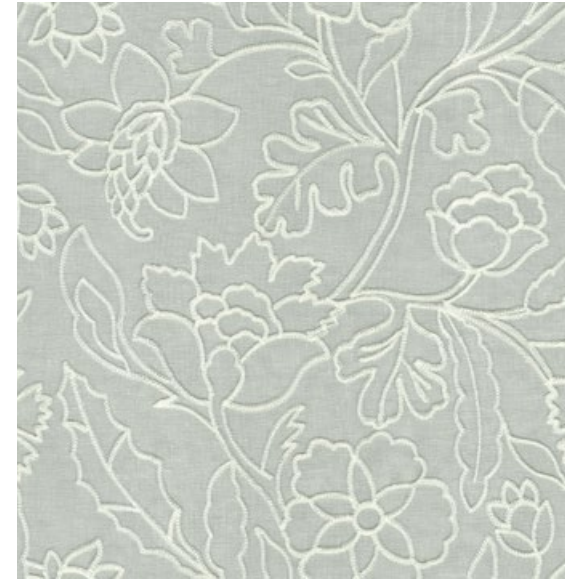

End Use: Drapery

Luxury Home Textiles

VAYA Home designs, curates and produces textiles for drapery and upholstery in a variety of fibers and tactile techniques.

Leveraging decades of textile design and production expertise, the Jaipuria Mill in collaboration with international creatives, conceived the VAYA Home brand to weave thoughtfully constructed fabrics for interior decorators globally.

Combining hand crafted arts with machine exacted techniques unique to the mill, the VAYA collections aim to delight and surprise through the use of pattern, materials, and colors in their textiles.

Our products are sold through leading retailers as cut length yardage and are suitable for residential and commercial application.
